Tour Descriptions:

- **El Yunque Rainforest Hiking Excursion** - Named after the good Indian spirit, Yuquiyu, and shelter to the Carib Indians for 200 years, El Yunque is the only tropical rainforest in the U.S. National Forest System. Spanning 28,000 acres and reaching an elevation of 3,624 feet, the area receives over 100 billion gallons of rainfall each year. Rivers and trickling streams collect into gentle pools of rainwater as million of tiny inch-long frogs called coqui, found only in Puerto Rico sing their sweet lullabies.
- **Old San Juan Historical Walking Tour with Shopping** - We've designed this tour for culture and history enthusiasts who like to get up close to the sites and examine the past first-hand. Knowledgeable step-aboard guides will take your party to Old San Juan-the oldest city in the U.S. There, they'll be able to stroll through Old Spanish cathedrals and forts such as San Cristobal, where they'll see and learn how the Spanish built and defended their city. Afterwards, they'll have an opportunity to do some shopping and have lunch on your own.
- **Bioluminescent Bay Kayaking** - Do not let your trip end without exploring the best bioluminescent waters in the world. Our relaxing kayak tour at sunset will take you to the fascinating lagoon at Las Cabezas de San Juan. You will see the historical lighthouse of Fajardo, kayak through a mangrove forest, and also touch waters that glow with rare single-celled dinoflagellate organisms. Our professional tour guide will guide you throughout the entire tour. You will receive a life jacket, kayak, and a flashlight; Refreshments and towels will be provided.
- **Catamaran Sail, Snorkel, Buffet** - Guests will board state of the art catamarans to begin a leisurely sail towards an off-shore coral reef. After anchoring near the reef, the captain and crew provide snorkeling gear, safety information and instruction prior to guests exiting the vessel. Guests typically have between one and two hours to snorkel, swim or relax at the beach while crew is preparing snacks or lunch. After the snorkeling portion of the trip is completed, guests can enjoy lunch on board while the catamaran sets sail back towards the El Conquistador Marina.
- **ATV Adventure** - Get ready for the ultimate adventure. Check your mature self at the gate and embark on an adrenalin rush like none other, because remember, life is too short to walk...ATV (all-terrain vehicle) four-wheel dirt-bike tours are the most talked about adventures in Puerto Rico. Take part in an inspiring and exciting ride through raw nature. Upon arrival riders will be given a ten minute introduction on how to ride and operate a four track, including safety instructions. Then the real adventure begins as riders follow the experienced guides along outlined tracks through farmland then into the rainforest. The group will climb hills; negotiate tight corners, roam through rugged terrain, splash through river water, and much, much more. Riders will take it all at their own speed and within their own capabilities. ATV's are made for two passengers.
- **Las Cabezas Nature Reserve Walk and Light House Tour** - Acquired by the island's Conservation Trust, its coral reefs, beaches, lagoons, mangroves and dry forest distinguish the peninsula. Your group can explore the peninsula along a network of trails and boardwalks, study exhibits at a nature center, and enjoy the view from the lighthouse observation deck. English tour only available in the p.m.
